## AIB FUTURE SPARKS

Victor Hugo once defined initiative as 'doing the right thing without being told'. Our team of Fifth Year student leaders certainly demonstrated this quality when they entered our whole school charity event 'Run for Rumbek 2024' into the AIB Future Sparks Youth Impact Awards. We are delighted to say that their enthusiasm was rewarded as they won the Senior Small Group Financial Prize of €1,250 which will be donated to our sister schools, Loreto Rumbek and Aweil in South Sudan. Well done to our students and Ms Coyne.

## LORETO PILGRIMAGE TO KNOCK

A sea of coloured uniforms united by one crest were in evidence this week as 22 Loreto schools undertook a pilgrimage to the Knock Shrine in Co. Mayo. Throughout the day students engaged in thought provoking workshops on their role in continuing the Loreto tradition in their school communities. There was time to take in the beauty of the Marian Shrine before a very special mass was celebrated by Auxiliary Bishop of Dublin Paul Dempsey in the majestic setting of the Basilica. Thank you to Mr Byrne and Ms Hayes.

## 1<sup>st</sup> Year Cinema Trip

Our First Years enjoyed an end of year trip to the cinema to 'Flow'. Thank you to Ms Ryan.

## FUTURE LEADERS

Our Transition Year students were fortunate to gain entry to the seat of government this week when each class visited Dáil Eireann. Thank you to Minister Jennifer Carroll MacNeill for organising our visits.

If politics were not to their liking, Transition Years then embarked on watersports with the Irish National Sailing School (INSS) during which much fun and frolics were had.

## 5<sup>TH</sup> YEAR ECOLOGY TRIP

This week our 5<sup>th</sup> Year Biology students undertook their Ecology Field Study on Sandycove Beach. Thank you to Ms Scott and Dr Carney.

## WRITE A BOOK PROJECT

The furious clicking of staplers could be heard in the Concert Hall this week as our budding TY authors put their finishing touches to their personalised story books for the First and Second Class pupils of Loreto Primary School. Having spent the last two months learning the skills of drafting, editing, illustrating and wrangling with Canva, our students crafted stories to include each child, their friends and even their pet cats. Thank you to Ms Brennan, Ms Galvin, Ms Noctor, Ms Glass, Principal Ms McKenna, and the teachers of Loreto Primary for this worthwhile project.
