INCOMING FIRST YEAR PARENTS' EVENING

We were delighted to welcome the parents of our incoming First Years this week who were treated to an engaging presentation and musical performances by our students. Well done also to our TY Catering Crew who hosted our guests over the course of both evenings.

EMBER LEADERS

'The Holy Spirit is there to help and guide us when making decisions throughout our lives' these were some of the inspiring words of our EMBER Group as they began their first Confirmation workshop with the Sixth Class in Loreto Primary School. The EMBER team presented a lesson on the descent and gifts of the Holy Spirit. They also shared anecdotes with the younger students about their Confirmation and gave them helpful tips regarding the upcoming transition to post-primary school. Well done to the EMBER team and Mr Byrne.

Congratulations

Congratulations to Isabel Balloch, Kate Barry, Isabella Bracken, Megan Brunt, Sophie Crosthwaite, Ana Goggin and Aida Hughes who attended an awards ceremony which acknowledged the Distinction they achieved in their Junior Cycle Business Studies Exam 2024. The ceremony was held in the UCD Lochlann Quinn School of Business on Wednesday February 26th and was organised by both UCD and The Business Teachers' Association of Ireland (BSTAI). The BSTAI and UCD were delighted to see the return of this ceremony, the first since 2019, which not only recognises the great achievement of students but also encourages them to consider taking a Business subject at Leaving Certificate level and perhaps following a career path in Business. 39,060 students sat the Business Studies exam in 2024 and with just 3.6% receiving a Distinction nationwide, we are very proud to see seven of our students receive the top grade. Well done to our students! Thanks you to Ms Maginn and Mr Curtis.

Thank you also to all of our parents who walked or ran the 5km in solidarity with our sister schools Loreto Rumbek and Loreto Aweil.

Our TYs participated in a host of exciting activities including Live History Shows, textile workshops, rock climbing Law Education and the TY Intergenerational Project. Thank you to Ms McHenry for organising.
