JUNIOR CYCLE RESULTS

We would like to congratulate our Junior Cycle students on their excellent results which are the culmination of three years of work. Our students will receive their Junior Cycle Profile of Achievement in the coming months which will provide a record of their skills development, participation and progress in other areas of learning. Thank you to all of their teachers.

OUR LORETO SISTERS

'Go set the world on fire' was the instruction of Teresa Ball to her followers to be Loreto missionaries. This week the EMBER team interviewed four incredible sisters; Teresa, Annemary, Colette and Berna from our abbey about the missions that they undertook as Loreto sisters from Mauritius to India to South Sudan, the sisters inspired our students with their incredible stories. The EMBER team lead morning prayer once a week to bring the sisters' incredible message to the entire school community during this month of October; the month of the missions. Sincere thanks to the sisters for giving of their time to this unique intergenerational conversation.

OUR STUDENT LEADERS

We were delighted to recognise some of our student leaders this week which include our Justice and Peace Group and also our Sports Captains. These students will act as role models for the rest of our student body over the course of the year and we wish them success leading their teams.

Blessing of the Pets

Thank you to Fr David and our parish for inviting our students to join them for a blessing of pets in celebration of St Francis Assisi. It was a wonderful opportunity for our school and parish to come together.

Transition Year Updates

Managing an event with over 100 teachers from different schools is no mean feat but our Catering Crew are adept at organising and catering at functions. They were complimented for their friendliness and efficiency.

In recognition of Road Safety Week, we were delighted to welcome An Gardaí to deliver their Life Saver Programme to our students. They focused on accident awareness, driver responsibility, young people and vehicles.
