ALL THE RIGHT INGREDIENTS

To the harmonious strumming of an Irish and Chinese harp, flute and traditional music, our school opened its doors this week to welcome prospective pupils and their parents. Our students showcased their scientific, singing, sporting, baking, knitting, chess and Lego skills to name but a few while also painting a mural in An Grianán. We would like to thank all of our staff and students for the warm welcome they extended to all of our guests.

BLOSSOMING TYs

Our TYs are quickly becoming a highly skilled group who are not only developing expertise in First Aid and event management but have also enthusiastically embarked on their Gaisce Award. This week our TY Sustainability Studies class were tending to the Growing Garden and learning how to grow potato plants with our resident gardener, Mr Forsyth.

Well done to Susannah Moir and Hazel Herman who represented our school in Loreto Bray today at an interschool cultural workshop. We are also delighted to welcome all of our Spanish exchange students and we look forward to hearing all about our students' experience in Seville when they return at the end of this month.
