## SO LONG, FAREWELL!

The image of the Von Trapp children bidding adieu sprung to mind this week when we celebrated our 6<sup>th</sup> Years at our farewell ceremony. Our students were delighted to receive their Loreto rings which they proudly displayed as they were led by Séan Kelly, the bagpiper down the avenue one final time. We are looking forward to welcoming 6<sup>th</sup> Years and their parents to the 6<sup>th</sup> Year Graduation on Monday 19<sup>th</sup> May in the Church of the Assumption, Dalkey at 7pm.

## SHAKEN NOT STIRRED

Queue that distinctive guitar riff, followed by the brassy blasts of trumpets and horns and then the slick tuxedo with.....a water gun? Hang on a second I hear you say, were you not describing James Bond? Indeed, it was better than James Bond, it was none other than Mr Robert Dunne who burst forth from the castle which was under siege from Octoman, aka Mr Flanagan. This villain had attempted to sabotage Spirit Day by taking Ms Byrne's beloved camera hostage and taunting the school from a speedboat no less! The TYs are to be commended for this incredibly imaginative take on this classic secret agent plot. Thank you to Ms Coyne and the TY team for putting together such a spytacular Spirit Day!
